7.2. The German version of this contract is legally binding Place of fulfilment is Cologne, place of jurisdiction is Cologne HRB-No. 33266 Registration Court, District Court Cologne

8. Cancellation, Postponement / Relocation and change in the length of the event

EHA is entitled to cancel the event where there is good cause, to postpone it or relocate it, change the dates or - if the condition of the space, police directives or other extreme circumstances require it, to relocate the stand space of the exhibitor, alter its dimensions or limit it. Postponement or relocation or other such changes will become a component of the contract when they are notified to the exhibitor. In this scenario, the exhibitor has the right to withdraw from the contract within 14 days of receiving notification of the change. Thus, no claims for damages can be made against EHA or MFN, unless the change/postponement can be attributed to a grossly negligent or intentional breach of duties by EHA or its agents, and/or the change/postponement is due to EHA 's/its agents ' violation of an essential contractual obligation which, firstly, enables the contract to be fulfilled in accordance with the regulations. Furthermore, the exhibitor should also consistently be able to trust that this obligation shall be adhered to (this may be, for example, planning and preparation of the event in accordance with the regulations, the exhibitor being notified in good time and being fully informed, etc.).

8.1. Force Majeure etc.

If an event which is considered to be force majeure occurs which prevents EHA from fulfilling its obligations, either fully or partially, EHA is released from fulfilling this contract until such a time as the event considered force majeure ceases to exist. EHA must report this to the exhibitor immediately, unless they are prevented from doing so by an event considered to be force majeure. Inability to provide sufficient operating elements, such as electricity and heating etc. as well as terrorist threat, strikes and lockouts, will be equated to incidence of force majeure as long as they are not short-term in nature or caused by EHA. If, in these instances, costs have arisen for EHA for the preparation of the event, the exhibitor is obliged to reimburse these.

Amendment: Impossibility of participation caused by travel restrictions:

If most of the exhibitor's staff is unable to attend the exhibition due to travel restrictions, officially imposed either by the authorities of his country of origin or by German/European authorities, the following conditions will apply:

Stand withdrawal / compensation fees

4 months before the show:	50% of the invoice total
3 months before the show:	80% of the invoice total
2 months before the show:	100% of the invoice total

However, if the exhibitor agrees to a bindingly participation in the EUROPEAN ROTORS 2021, the above-mentioned cancellation fee will be converted into a down payment for the EUROPEAN ROTORS 2021 edition. In this case the exhibitor agrees to waive the cancellation policy for the EUROPEAN ROTORS 2021.

8.2. Participation feed in the event of cancelation

If EHA is responsible for the cancelation of the event, no participation fee shall be owed by the exhibitor. If EHA must shorten the duration of an event that has already begun as a result of force majeure or on other grounds for which they bear no responsibility, the exhibitor may not claim any part or full reimbursement, nor dispense with payment of the participation fee.
