

# The exhibitor portal

With the exhibitor portal you can manage your invitations and team members. The dashboard shows you detailed statistics about your customers and their tickets.

## 1. Campaigns and invitations

Create a campaign to invite your customers or book additional badges for your exhibitors! As an exhibitor you have possibility to book a 50 Euro discounted 3-Day ticket for your customers or 3-Day badge for your exhibitors. While creating a campaign choose the product and enter the personal data of your guest.

The screenshot displays the 'Campaigns' management interface. On the left, there are fields for 'Choose a voucher', 'Language', 'Exhibition template', 'Exhibitor template', 'Salutation', and personal details (First name, Last name, Email, Phone, Position, Street). The 'Choose a tariff' dropdown is open, showing two options: '3 Day Ticket - Payable exhibitor badge (1 usages, 31 free contingents) (50,00 €)' and '3 Day Ticket - Payable customer code (1 usages, 31 free contingents) (50,00 €)'. On the right, the 'Template preview' shows an email invitation with a header image for the event, a personalized salutation, the subject 'YOUR INVITATION', and a 'Go to Ticket Shop' button.

The email contains a link with an automatically generated promo code, which is applied to show the special offer on the product selection page.

### 3 Day Ticket

The screenshot shows a product selection interface. A 'Payable customer code' is displayed with a price of 50,00 EUR and a promo code 6111241244. There are minus and plus buttons to adjust the quantity, which is currently set to 1.

The customer then follows the regular registration process in the ticket shop and gets the ticket!

## 2. Staff management

As an exhibitor you have free tickets for your team members (4 badges per 9 square meters) as well as free tickets for your guests (4 codes per 9 square meters). To issue one just use the “Staff” button, enter the personal data and send it your team member or guest.
